

# Aryan Mikaeili

Homepage | Google Scholar | Email | Github

## EDUCATION

---

*Master of Science, Computing science*  
Simon Fraser University

**Sep 2021 - Present**  
Burnaby, BC, Canada

*Bachelor of Science, Computer engineering*  
Sharif University of Technology

**Sep 2016 - June 2021**  
Tehran, Iran

## RESEARCH EXPERIENCE

---

*Graduate research assistant*  
GrUVi Lab, Simon Fraser University  
**topic:** Neural fields, 3D understanding in generative models

**Sep 2021 - Present**  
Advisor: Ali Mahdavi-Amiri

*Research assistant*  
IPL, Sharif University of Technology  
**topic:** Adversarial robustness of 3D point cloud models

**June 2020 - June 2021**  
Advisor: Shohreh Kasaei

## PUBLICATIONS

---

- [CLiC: Concept Learning in Context](#), Mehdi Safaei, **Aryan Mikaeili**, Or Patashnik, Daniel Cohen-Or, Ali Mahdavi-Amiri, ArXiv preprint 2023
- [SKED: Sketch-guided Text-based 3D editing](#), **Aryan Mikaeili**, Or Perel, Mehdi Safaei, Daniel Cohen-Or, Ali Mahdavi-Amiri, ICCV 2023

## WORK EXPERIENCE

---

*ML research intern*  
[MARZ VFX](#)

**May 2022 - Sep 2022**

- Worked on the [Lipdub AI](#) team. Designed and implemented novel models for natural lip syncing on dubbed video content.

## OTHER EXPERIENCES

---

- **Conference paper reviewing:** CVPR 2024, ICLR 2023 workshop on Neural Fields, ICLR 2022 workshop on Machine Learning for Drug Discovery (MLDD)

## AWARDS AND SCHOLARSHIPS

---

*2023-24 Ebco Eppich Award Competition*  
Backwater Industries / Eduard Jost Sr. & Jr. Graduate Scholarship

**Spring 2024**  
amount: 700 CAD

## TEACHING ASSISTANCE EXPERIENCE

---

***Practices in visual computing 1***

held lab classes, designed and supervised assignments. Course page: [link](#)

**Fall 2021, Fall 2022, Fall 2023**

Simon Fraser University

***Practices in visual computing 2***

held lab classes, designed and supervised assignments. Course page: [link](#)

**Spring 2022, Spring 2023, Spring 2024**

Simon Fraser University

***Machine learning***

Created educational content and lecture notes.

**Fall 2020**

Sharif University of Technology

***Artificial intelligence***

Designed and supervised assignments.

**Spring 2019**

Sharif University of Technology

## SKILLS

---

**Programming Languages:** Python/NumPy, C/C++, R, MATLAB, JAVA

**Tools and Frameworks:** PyTorch, Tensorflow, Blender, Adobe Photoshop
